Bonnie Smith forwarded me your email asking for an update on EPA's response to Cabot's statements. We are reviewing Cabot's latest statements and will respond accordingly. Attached is the EPA's response to a letter dated Jan. 26, 2012 from Cabot's CEO and Chairman Dan Dinges regarding the basis of EPA's involvement in the study of water quality in Dimock. Our response addresses concerns raised by Cabot in that letter. - Roy
